

WOODLAND VIEW JUNIOR SCHOOL

AWAKENING TALENTS DEVELOPING STRENGTHS!

Headteacher's Message

Birthdays : Amelia, Jamie, Riley, Oliver

Good afternoon!

The year 6's have settled in and everyone seems to have adapted to the changes. The children and staff have been incredible and are doing an fantastic job, following the new rules and guidelines.

I want to thank all the parents and children for their amazing support and commitment to using the Google Classroom. The teachers have worked tremendously hard to get it up and running and monitoring it daily, even while in school. However, we have noticed that many children have slowed down with engagement and unfortunately this will have a massive impact on their learning next year. We know some of you might be doing other things to support learning at home, which is great. Just let the teacher know or send in a photo because like you, we feel that learning doesn't have to always be in front of the computer screen or at a desk.

We are working hard to try and organise some time back for the other year groups. Thank you for your responses, and we will let you know if this is possible.

Just a reminder to the children who are coming to school to try and follow the times closely in order to stay safe.

Stay alert and stay safe!

Important Dates

8:40 Hummingbirds Pod

8:50 Ravens Pod

9:00 Key worker children
