

# WOODLAND VIEW JUNIOR SCHOOL

AWAKENING TALENTS DEVELOPING STRENGTHS!

## Headteacher's Message

Good afternoon! I hope everyone is coping and staying safe. We sure miss you all and we hope we will see you soon. Mrs Whiles and Miss Claxton came into school yesterday and noticed we had some new visitors (cows), so we really do need everyone back safe and sound! We are very grateful that we have had such good weather and hope the children have been able to get outside for some needed fresh air!

The Google Classroom is up and running with many great successes in all the year groups. Right now we have close to 87% of the children actively engaged with it. The teachers have been tremendous with their planning and responding to the children. Thank you to Mrs Baker, for her supporting so many parents to help get it started. New things are rarely straight forward but hopefully, it is something that can be continued to be used when things are back to normal. Continue to take photos and send in their work as it is so nice to see and for the rest of the school to see as well. Many of them have been put on the website and on twitter.

The school is still open for our key worker and vulnerable children, this includes children involved with social services or who have a social worker and children with an EHCP. If you have any questions and might need support, please contact the office. Thanks again to our amazing staff who are coming into support our children.

Mrs Patterson has entered the classes in another Sumdog challenge (Norfolk). It starts today and ends on April 30th, good luck!

Speaking of a challenge, Mr Collins is going to try a daily 60 second activity. Hopefully you can all join in! Watch for it on MM or your emails.

Look after yourselves and stay safe!

Birthdays : Abbie, Heydon, Theo, Elliot, Macy, Bobby, Jack, Liam, Max B, Max M
