

WOODLAND VIEW JUNIOR SCHOOL

AWAKENING TALENTS DEVELOPING STRENGTHS!

Headteacher's Message

Good afternoon! I think this will be one of my most unusual newsletters ever, due to our unprecedented time. Hopefully everyone will adapt to some sort of routine and make the most of the good weather and family time.

Thank you for some of your very kind emails and we all miss you very much. It's great to see so many photos of what you have been up and how your parents have been adapting to the routine. Keep them coming. The Collins household has been busy as well with 3 girls in high school. The weather has been amazing we have enjoyed the dog walks and one of our daughters is having her 18th birthday this week. A big shout out goes to Evie who had her 10th birthday.

Well done to our select few key worker children who have been coming in this week and to the amazing staff who have been keeping them busy. The office is closed but a big thank you goes to Mrs Baker for tirelessly trying to sort everything out during this very strange week.

The teachers have commented on so many children being stars of the week. Well done for keeping up with your work. Keep letting your teachers know how you are getting on.

The teachers have been busy setting up Google Classroom and we will be rolling this out across the school after Easter, watch this space.

Look after yourselves and stay in touch!

Birthdays : Evie, Jamie, Anya
