

WOODLAND VIEW JUNIOR SCHOOL

AWAKENING TALENTS DEVELOPING STRENGTHS!

Headteacher's Message

Good afternoon!

Well, it is finally July and we are approaching the end of perhaps most interesting school year ever. I hope everyone has had a good week and enjoyed Canada Day on Wednesday, like I did. As we wind down to the end of term the teachers are starting to relax with the Google Classroom, hopefully that gives time to catch up on any outstanding work or play some games!

We have had some of our year 5s in this week with Mr Noble and it has gone well, as the children have had some time with their friends. Thank you to the staff for helping out. We look forward to welcoming some of our Year 4's back next week.

The new guidance came out yesterday with the intention that everyone returns to school in September. Teachers are now looking through it and plans are being made for the new school year. Speaking of September, we are hoping the governors can give you an update on what is happening with the school leadership very soon. Meetings have taken place but some final details are still being ironed out.

Another change that the school will need to prepare for in September is that I have to inform you that Mrs. Legrice has decided to hand in her resignation, effective from September 2020. She wasn't planning to do so, but due to the changing climate and the new guidance, she has decided this is probably best for her. She has been with the school for a long time and will be greatly missed by everyone. At this point in time I cannot give you any further information, but as a staff we wanted you to hear it from us.

Stay alert and stay safe!

Birthdays : Max, Kelsie, Ada, Nancy, Elijah, Ryan, Lily- Mae

Important Dates

8:40 Hummingbirds Pod
8:50 Ravens Pod
9:00 Key worker children
9:15 Other year groups
