

# WOODLAND VIEW JUNIOR SCHOOL

AWAKENING TALENTS DEVELOPING STRENGTHS!

## Headteacher's Message

Good afternoon!

The children have had a busy week and we are seeing some lovely photos of the things they have done. Thank you to all the parents for supporting them with this, please ensure you are managing your time as well. Mr Bobbin came in this week to surprise the children and play some socially distanced games. It looked like everyone was having fun. Two weeks ago, we had a brilliant live assembly, with so many of you attending and it was amazing to see your lovely work. We are hoping to have another assembly next Friday, so watch out for the link.

As many of you will know from our website and letters, we will be welcoming back children in Year 6 on Monday. Staff have been working incredibly hard to get the school ready. We are really excited to see some of the children again and I am very confident it will be enjoyable for everyone.

We are following all the Government's guidelines in the expanded opening of the school. We have risk assessed the school and shared these risk assessments with the Governors and staff. Regardless of your decision to send your child to school, keep them at home or if you are waiting for your child's year group to return, home learning will continue. We will use this alongside other activities to teach the children who attend the school and if your child continues to work at home, using this content, they will keep making small steps of progress in their learning. Hopefully, it will not be much longer before our normal service can begin again.

As the country has started to 'reopen' to kickstart the economy, children of critical workers, and vulnerable children who are already eligible, will continue to be offered a place, regardless of the year group they are in. The definition of critical workers remains unchanged. If you need support, please contact the office.

Stay alert and stay safe!

WELCOME BACK Year 6
