

# The Adventurers - Year 3

In Writing, we have created a romance story based on Disney Pixar's The Blue Umbrella, but wrote it from Red Umbrella's perspective.

In Music, we have been learning to play notes on the recorder to Bob Marley's 'Three Little Birds.'

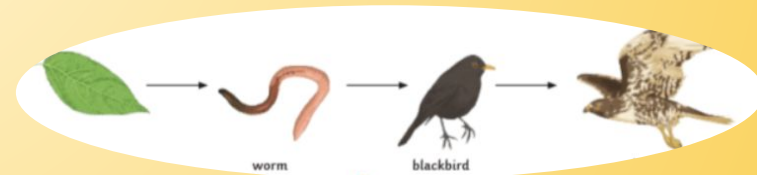

In PE, we have developed our understanding of the necessary flexibility, strength and control needed to perform movements successfully in Gymnastics...

In Guided Reading, we have explored the book 'Cloud Busting' - a funny and sad story, told completely in verse.

...we have also explored dance techniques ranging from the Haka to Roman battle formations!

In Science, we have learnt about various food chains and classification keys.
