

In Writing, our model text has been based on a biography of Sir David Attenborough. We have each chosen an inspirational person to research for our own independent writing.

We have been learning the language to talk about ourselves in Spanish.

We have focused on dance and gymnastics in PE. Also, we have been building up our fitness by running a mile.

Voyagers Y5

In Geography, we have considered whether the world's resources are distributed fairly.

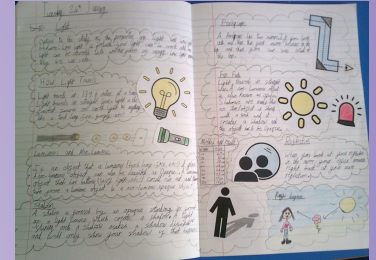

We have been learning about loops when creating a pong game on scratch. .

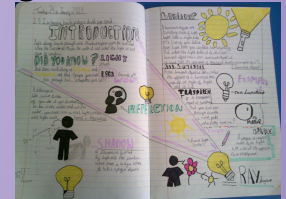

We enjoyed making clay relief tiles in art, inspired by William Morris.

Our Reading has been based on 'Street Child' by Berlie Doherty.

In Science, we have been learning about light.

Maths has been focused around fractions and decimals.
