

The Explorers- Year 3

In Writing, we have written a non-chronological report about some strange creatures! We are all pangolin experts now.

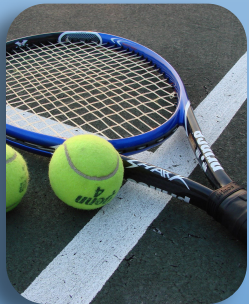

In Science, we have been learning about our skeletons and our muscles. We had great fun investigating if there was a link between things such as 'Do the tallest people have the biggest feet?'

In Art, we designed our own collograph printing tile. We had to stick a range of materials on a cardboard tile, then cover with paint before press printing to make a repeated pattern.

In PE, we have been improving our tennis skills. We have been learning how to control the ball and have a rally with a partner.

In maths, we have looked at using money and knowing how to tell the time.

The Coronation of King Charles III was celebrated with our school picnic and by learning the coronation song.
