

Writing - we have learned about the features of newspaper reports and used them to write a report about the short film 'Ruckus'

RE - we focussed on Sikhism, making links between this and Islam and Christianity in the ways people express commitment to their religion.

Maths - we have learned about 2D and 3D shapes, parallel & perpendicular lines and looked at how to present data in bar graphs and two-way charts.

Computing - we used Sprite to develop our programming skills and reminded ourselves about how to stay safe online.

DT - we worked with a partner to produce a game using an electrical circuit.

Adventurers

In RSE we looked at how boys and girls are different, at stereotypes and celebrated how we are all unique.

Geography - we looked at why the Norfolk Broads are special, their wildlife and land uses and how they were formed.

Science - we have been finding out about magnets and forces. We investigated the forces of gravity and resistance and learned that opposite magnetic poles attract.

PE - we have worked as a team to play rounders and developed a range of athletics skills. We also had our sports afternoon which we hope you enjoyed.
