

Africa - Year 5 with Ms Gilham: Summer 2

Curriculum News

In science, we carried out experiments on mixing, dissolving and separating materials.

In geography, we loved learning all about rivers, and produced some impressive double page spreads!

We enjoyed watching the short film 'Varmints' and writing our own stories based on this.

In maths, we have been working with decimals and negative numbers

0	Tth	Hth	Thth
1	0.1	0.01	0.001
1	0.1	0.01	0.001
	0.1	0.01	0.001

We loved our trip to the Norfolk Show! It was great finding out about all the services and businesses in our area.

Reminders: We have had a fantastic year in Africa class! It was lovely to see so many of you at our class assembly, and we hope you have a wonderful summer break.
